

Adding NetTutor to an Etudes Course

1. Log into Etudes.
2. Select a course for which you would like to add NetTutor.
3. Click on the Site Setup link below the menu of tools.
4. Click on the Edit Site Links link.
5. In the pop-up window that loads, click on the Add link.
6. Enter NetTutor for the Title.
7. For the URL, enter `https://gw.link-systems.com/blti/blti_https.php`
8. If you would like NetTutor to open in a new window, check the New Window option.
9. Click the Add LTI icon (to the left of the red X icon).
10. Enter the Key and Secret provided to you. Do not enter any custom parameters.
11. Click on the Done button.
12. Click on the Done button in the next window.
