

Adding NetTutor to a Moodle Course

1. Log into Moodle.
2. Select a course for which you would like to add NetTutor.
3. Verify that editing mode is on. If it is not on, click on the Turn editing on button.
4. Click on the Add an activity or resource link.
5. In the pop-up window that loads, select External tool.
6. Click on the Add button.
7. Enter NetTutor for the Activity name.
8. For the external tool type, select NetTutor.
9. Use the Launch container menu to select how NetTutor will open (e.g., new window, embedded frame...)
10. Click on the Save and return to course button.
